### Happy Thanksgiving!

As this year comes to a close we here at **Music To Go Mobile DJ** have many things to be thankful for.

We are thankful to our customers for their help in making our business what it is today. We would like to thank everyone that has visited our web site and passed out our business cards along to others. Thanks for spreading the word! With out you there would be no business. We appreciate the support from all of you that have sent us thank you notes, e-mails, and testimonials this past year. We are grateful to you for allowing us to put pictures from your events on our web site, too!

We enjoyed being a part of the Wedding Gala & MDA Lock-Up this year. It was a wonderful opportunity to meet other event planners and vendors in this area.

Thank you to the local business owners that allowed us to list their businesses on our Local Party Services Page on our web site and letting us link to them. Thank you also to those of you who linked back to us.

Kris appreciates those of you that took her phone calls and answered her questions. Many of you provided us with great ideas to help serve our customers better.

Last but not least, we truly appreciate the tireless work of Teri Smith, Owner & Developer of TriStellar.com, LLC., Web Hosting & Development. She spent countless hours developing and continually updating our web site over this past year. Her hard work helped our business in many ways. She has saved us from excess paperwork and wasted time. She may be reached at [Teri@tristellar.com](mailto:Teri@tristellar.com).

Sincerely,

Ed & Kris Robertson & Family

*The New Additions To Music To Go!*

Ask about our Animated Party Skeleton. Help us name him! E-mail your suggestions too [info@musicgomobiledj.com](mailto:info@musicgomobiledj.com).

He is 5-feet tall and he talks, dances, and sings. He turns his head while moving his mouth to talk. When he is moving his eyes light up red.

He is also motion activated. He comes with his own microphone and you can speak through his speaker.

Skeleton says, "Trick or treat!", "Did I scare you?", & "Happy Halloween!"

Skeleton Sings, "Born To Be Wild", "Shake Your Groove Thing", "Evil Ways", & "Super Freak".

This is our fog machine with the Pumpkin face front attached.

"Ask about our Animated Singing Santa Clause.

He's a great addition to Holiday Parties! He is 5-feet tall and he talks, dances, and sings. He turns his head while moving his mouth to talk.

He is also motion activated. He comes with his own microphone and you can speak through his speaker.

Santa says, "How about a song to get you in the Holiday Spirit?", "Season's Greetings!", "Ho, Ho, Ho, Merry Christmas, Everybody!" & "Have a great Holiday Season!".

Santa Sings, "It's the Most Wonderful Time of the Year", "Up on the Housetops", "Winter Wonderland", "We Wish you a Merry Christmas", & "Jingle Bell".
