**Our Customers Are The Heartbeat of Our Business.**

### Happy Thanksgiving!

Hello! We have a lot to be thankful for again this year. We want to thank our customers for choosing us. We also appreciate the use of pictures from your events. We appreciate every thank you note and testimonial we have received. We also appreciate the referrals from customers, business owners, other DJ's, and Doug & Tom at [Westwind Entertainment](#).

We had a great time being a part of the [DJ's for Disaster](#) fund-raiser near Bi-Lo and the [Tail-gate](#) fundraiser at Hometowne U.S.A. for Hurricane Katrina. We enjoyed meeting other local DJ's. Thank you Steve and Joni for calling us!

Ed enjoyed playing the music for the [Talent & Fashion Show at Fennel Elementary](#) and being the MC for the [Yemassee Shrimp Festival](#) one afternoon. It was nice meeting other performers and festival attendees. God Bless the [Yemassee Fire Department](#) for helping provide some shade! We also saw a portion of the parade and one of the trains passing by. Visit [www.yemassee.net](http://www.yemassee.net) to find out more about the beautiful town of Yemassee and their Shrimp Festivals!

We also enjoyed the [MDA Lock-Up](#) at the [Beaufort Inn](#). The event was very well organized. The following people from the Muscular Dystrophy Association were there: Ellie Sutherland (District Director), Melanie Morgan (Program Coordinator), Monica Patel (Health Care Services Coordinator), and Katie Lee (Program Coordinator). The Beaufort Inn provided a beautiful food table for the "jailbirds", volunteers, and MDA workers. They also opened the Inn to all who participated in the Lock-Up phone call area. The "judges" were Frank Stroncheck and Matt Whitmore. Matt is

also the Director of Sales at the [Beaufort Inn](#). Providing transportation to the "jail birds", were the following: 2 limos and a van from [Camelot Limousine](#) and 1 limo from [Lowcountry Adventures](#). Both gave them a discounted rate for the day. They also had three officers helping them transport "jailbirds" and they were all from the [Port Royal Police Department](#). Captain Karr from the PRPD helped them coordinate their transportation. Visit the [Beaufort Inn's](#) web site at [www.beaufortinn.com](http://www.beaufortinn.com).

Does your business have to do with [party planning or weddings](#)? If so, send us your contact information to pass along to our customers! If your business is listed on our [Local Services](#) page on our web site, please check that your contact information is up to date. E-mail any changes to [info@musictogomobiledj.com](mailto:info@musictogomobiledj.com). Thank you!

**Christmas Parade 2005 Float Started!**

Ed has already started on the train for the Christmas Parade float! It is really going to be good this year. So, we hope everyone comes out to see it!

He is talking about a 1/2 scale mock up of an American 4-4-0 Locomotive with former and stringer construction, a styrene skin and stationary wheels. The fogger will add to the steam effects and an electric lamp will facilitate transport and maintenance. The locomotive will be built in three sections that will consist of the removable smoke stack, removable cab, and the main frame.

We will have some music with us. He is preparing all of the train themed dance songs and sound effects already! Many of the [Beaufort Model Railroader's](#) group members will be helping in the construction of the float. The group members will also be in attendance at the parade.

So, mark your calendars for [Sunday, December 4, 2005 at 3:00pm](#) in Historic Downtown Beaufort.

*Happy Holidays!*

**Train Display at Beaufort Library on Scott Street!**

On December 13<sup>th</sup> – 17<sup>th</sup>, 2005 we will be having the [Annual Model Train Show for the Beaufort Model Railroader's](#). The admission is free and it is open to the public!

So come on out and see all of the different train layouts and different scales (sizes) of trains. You will also be able to see the scenery from different seasons on the layouts. You might even notice some miniature people and animals. Many of the layouts have lights in the little buildings.

You may even decide to go out and buy a train and build your own layout!
