Our Customers Are The Heartbeat of Our Business.

Hello! We hope every one is doing well! [Our New Web Site went Up Live on Sunday, August 21, 2005!](#) The web site design and development was by Teri at www.tristellar.com. She is the owner of TriStellar.com, LLC [Web Hosting & Development](#) in Southbury, CT. We are really excited about all of the Changes! She has made our new web site even easier to navigate. Now, you can browse our Master Song List of over 3000 Song Titles or the 20 more specific song lists to find your favorite song titles! We only have a small portion of our music library on the web site. So, if you don't find what you are looking for just ask us to find it for you. All of our song lists are printable for your convenience. Our Weddings section is now divided into three parts: Making Plans For Your Wedding, Weddings, and After Your Wedding. Don't forget to view our Wedding Music List!

We enjoyed attending the [Wedding Professionals of the Low Country Networking Group](#) meeting recently on Hilton Head Island. Lisa Manning has done a great job spear heading this group! We also had a great time at [Belk's Wedding Gala](#) on August 21, 2005! We met Mary with

[The Wedding Place](#) from the Professional Village Circle on Lady's island. "The Wedding Place is a small chapel like wedding service company that provides a centralized location for small affordable weddings. You can get married just the two of you or with a small party of family and friends." You may contact The Wedding Place at Info@theweddingplace.org or on their web site at www.theweddingplace.org. Services are available Monday-Friday from 10:00 a.m. to 5:00 p.m. Saturday and Sunday services will be performed by reservations ONLY. Your Booking With Music To Go Mobile DJ

When you call we will check our calendar for the availability of the date you are looking for. If we are already booked on the date you need, we will help you in any way we can.

Then, we will e-mail, fax, or mail a job work order to you. We offer a one hour free consultation concerning your event! We can do this over the telephone or in person. We will answer any questions you may have at this time.

We require a deposit to book your event on our on-line calendar. The balance is due after the last song is played on the day of your event.

We send out a follow up questionnaire after each event. We continue to expand our service to meet the needs of our customers.

Experienced Since 1987!

We follow your agenda, not ours!

Ed arrives early and puts his total focus on the job at hand. He likes to set up our equipment approximately one hour before your guests arrive. He is sensitive to the needs of his customers, their friends and families.

When thinking of us setting up our equipment consider the following:

- Access to Gated Communities
- Another function in the same place prior
- Set-up the Equipment: Inside or Outside.
- If Outside, will a covering be provided for DJ
- Will equipment be on a Stage
- Will there be Stairs or a Loading Ramp?
- Will we be using an Elevator?
- Banquet Room/ House #'s, Names or Letters.
- Where will you want the Equipment set-up?

Ed has mastered both playing to the crowd and making the guest of honor feel like he/she is the only one in the room. He can have the customers up dancing or he can play soothing background music for your event. He is willing to interact with the crowd as much or as little as you choose.

The DJ's uniform is agreed upon with the customer prior to your function. The details on

the music selection and the volume level are also approved by the customer. Song requests will be honored according to the customer's wishes.

When we are using our lights, we change the gel covers on them to match the colors at your function.

Our Large Unit comes with 2-CD Players, 2-Cassette Players, and 2 Turntables.

Our Smaller Unit comes with 2-CD Players only.

Okay, Ed and I just wanted to get you in the mood for the Holidays!

Time is running out to plan your **Halloween Parties**. So, call us right now at 843-525-6944 to book your event.

As you can see in the pictures of Ed in the casket, and Jarrod hiding in the bushes, they will go to extremes to see that your party will be one to be remembered!

If you still aren't feeling in the mood, Ed can bring a CD of scary, haunting sounds. Your guests will be scared out of their wits.

Ask us to bring our fog machine! We have to use this machine in a well ventilated area or outside.

Remember when making your list of songs that **a four hour function usually adds up to about 80 songs**. You may pick out your own songs from our song lists or have the DJ pick them out for you. We will be glad to help you find your favorites!

Are you planning a Halloween Carnival?

We will make any announcements that you may need. We can help you with your raffles, drawings, cake walks, costume contests and more! Ed has done several of these and everyone always has a good time! Just give him an outline of the events you want him to announce and the times to do it and he will do the rest.

Don't forget to visit our Local Services on our Web site to find vendors to help you in your party planning.
