**Our Customers Are The Heartbeat of Our Business.**

### **BOOK YOUR DJ SEVERAL MONTHS TO A YEAR A HEAD OF YOUR FUNCTION WHEN EVER POSSIBLE.**

Don't leave choosing the DJ at the bottom of your To Do List. I know this seems early, but it really isn't. We will always try to fit your date in whenever possible, but we hate to turn away customers every year because they have waited too late to call. When they finally do call they are unhappy to find out that the date they had in mind has already been booked.

### **YOU MAY PRINT OUT OUR CONTRACT DIRECTLY FROM OUR WEBSITE!**

All you have to do is contact us to make sure the date you need is still available. We offer a Wedding Planner or Party Planner. Then print out the contract and fill it in. We require a deposit to hold the date you have chosen for your event. Send us the first 2 pages of your Planner with the deposit. Then send the rest of the Planner as soon as you have it completed.

### **HAPPY FOURTH OF JULY!**

We hope everyone has a great Fourth of July Holiday!

### **WHILE CHOSING THE MUSIC FOR YOUR EVENT, YOU MAY PRINT OUT ANY OF OUR 22 SONGS LISTS.**

The DJ will be glad to help you choose the music for your event that will set the exact mood you are looking for.

The music played should reflect your goals and personality as closely as possible. We are interested in what you like and don't like.

Visit our site at [www.musictogomobiledj.com](http://www.musictogomobiledj.com). E-mail us at [info@musictogomobiledj.com](mailto:info@musictogomobiledj.com). You may print any of these lists out for your convenience. Due to the large size of the Master Song List, we have split it up into two smaller lists. You may pick as many songs out as you wish for your event or have the DJ pick them out for you. It takes about 80 Songs for a 4 hour event.

We have several thousand songs listed on our site. If you don't see your favorite songs, just ask us to find them for you!

### **VISIT OUR THEMES & PARTY PROPS PAGE TO SEE OUR LIGHTING SYSTEMS, CORDLESS MICROPHONES, AND MORE!**

This page will show pictures of our props and give you some music list ideas also. We are happy to make any announcements you may need at your event or we will provide you with microphones if you wish! We are glad to work with any other performers that you may have at your function. Just provide us with their names and numbers so we can make sure to coordinate our equipment with theirs when necessary.

### **OUR DJ'S ARE EXPERIENCED, PROFESSIONAL, PUNCTUAL, RELIABLE, RESPONSIBLE, AND SUPPORTIVE!**

### WEDDINGS!

Whether you are having a casual Wedding and Reception on the beach or a large formal Wedding **Music To Go Mobile DJ** has 19 years experience in providing the entertainment for such events.

We provide a consultation for up to one hour at no additional fee. We will discuss your concerns and answer any questions you may have in a step by step fashion. We make sure that we understand your preferences for each stage of your Reception. It may help to write your questions down as you think of them and bring them to your consultation. You also may want to start thinking about the order of events for your reception. You don't have to know everything you will want at the first meeting. We do how ever ask that you chose your songs at least 3 weeks in advance of your Reception. This insures us time to purchase any special music that you may need.

Our Wedding Planner is on the web site for your convenience too! You can print the planner, fill it out and return it to us with your deposit. Take your time filling out the planner. Planning ahead of time will ensure that things flow smoothly. Always call first for availability!

We regularly update our music library offering our customers 1000's of songs to enjoy. The customer is welcome to bring additional regular format CD's, cassette tapes and vinyl records for their enjoyment. Our library consists of music from the Big Band Era to the Present.

We make it a point to be where we are supposed to be, when we are supposed to be! In the event that we are already committed on the date you are looking for, we will help you find the next best, reputable DJ possible.

We have a selection of wedding planning books, wedding magazines, wedding catalogs, wilton cake decorating books, etc. that you are welcome to look through during your consultation while getting your ideas together.

**VISIT OUR WEB SITE PHOTOS SECTION TO SEE WHERE MUSIC TO GO MOBILE DJ HAS PERFORMED AT WEDDINGS!**

We often go to the Wedding Rehearsal when we are doing the ceremony music. If you would like the DJ to attend your rehearsal, just tell us ahead of time so we can check our

schedule. This is a good time for the DJ to see where to set up ahead of time and to find Electrical Outlets etc. This also helps with the timing of the music.

We are available to provide the music at your wedding as well as your reception if they are both at the same location. Some times we can do both if the locations are different, but within about 30 minutes of each other.

We will announce your Wedding Party if you wish. There is a place on the Wedding Planner to write in the name and add any pronunciations that you think may be necessary. We will also provide a microphone to the Best Man or others that wish to toast the Wedding Couple.

If your wedding and reception will be held in a gated community, please call ahead and gain clearance for the DJ at the gate. Doing this ahead of time will ensure that your DJ can enter early and be set up before most of your quests arrive! We like to set up approximately one hour before we are supposed to start the music.
