**Our Customers Are The Heartbeat of Our Business.**

**Happy Thanksgiving!**

We have a lot to be thankful for this year here at Music to Go Mobile DJ! Jarrod Andrews is now able to DJ your event also. Dustin Rhoades is a DJ Helper. We appreciate their help.

We want to thank our customers for choosing us. We also appreciate the use of pictures from your events. We are thankful for the thank you notes and testimonials we have received. We also appreciate the referrals from customers, business owners, other DJ's and Doug & Tom at Westwind Entertainment.

We were very sad to hear of the recent passing of Doug West from Westwind Entertainment. He will be deeply missed. We were blessed to have had the opportunity to work with him.

## **Oktoberfest 2006 Port Royal**

Everyone had a great time at the Oktoberfest in Port Royal! They had a great variety of music, food, and crafts again this year.

It was great to see our friends and customers. The Oktoberfest is growing nicely each year.

**Book your DJ several months to a year ahead of your function whenever possible!**

Don't leave choosing the DJ at the bottom of your To Do List. I know this seems early, but it really isn't. We will always try to fit your date in whenever possible, but we hate to turn away customers every year because they have waited too late to call. When they finally do call they are disappointed to find out that the date they had in mind has already been double or triple booked.

### Consultation

We provide a consultation for up to one hour at no additional fee. We will discuss your concerns and answer any questions you may have in a step by step fashion. We make sure that we understand your preferences for each stage of your Reception. It may help to write your questions down as you think of them and bring them to your consultation. You also may want to start thinking about the order of events for your reception. You don't have to know everything you will want at the first meeting. We do however ask that you chose your songs at least 3 weeks in advance of your Reception. This insures us time to purchase any special music that you may need.

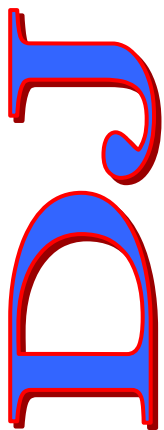

### Contract

Our [Wedding Planner](#) is on the web site for your convenience. You can print the planner, fill it out and return it to us with your deposit. We require a \$100.00 deposit. Take your time filling out the planner. Planning ahead of time will ensure that things flow smoothly. **Always call first for availability!** The balance of your fee is due after the last song played on the date of your function. The [New Customer Questionnaire](#) at the end of each Planner tells us what you thought of our service.

As you make all your wedding arrangements please be sure to visit our [Local Services](#) page to help you get in touch with local businesses that will help to make your day memorable!

We have a selection of [Wedding Planning Books](#), wedding magazines, wedding catalogs, wilton cake decorating books, etc. that you are welcome to look through during your consultation to help you get your ideas together. For functions in remote areas or on the beach we have a [generator](#) to power our equipment.
