**Book your DJ several months to a year ahead of your function whenever possible!**

Don't leave choosing the DJ at the bottom of your To Do List. I know this seems early, but it really isn't. We will always try to fit your date in whenever possible, but we hate to turn away customers every year because they have waited too late to call. When they finally do call they are disappointed to find out that the date they had in mind has already been booked.

Check our [Calendar of Upcoming Events](#) on line at [www.musictogomobiledj.com](http://www.musictogomobiledj.com) and be sure to book your event early!

For your convenience you may download our [Party Planner](#) or [Wedding Planner](#) from our web site 24 hours a day. Always call us first at 843-525-6944 for availability and pricing!
