### **Attention Brides! Don't miss the next Beaufort Belk's Wedding Gala!**

We enjoyed being a part of their Wedding Gala on February 24, 2008. Ed had a great time talking with Bride's about their upcoming weddings. The staff at **Music to Go Mobile DJ** is willing to help you with your event in any way we can! Call Ed, Kris, Jarrod, and Stacey at 843.525.6944 and tell us what your needs are! We will play the music for your Wedding and / or Reception and we know many people that can help you with the other details of your Wedding and /or Reception. View the Vendor's List on the [Local Services Page](#) on our web site at: [www.musictogomobiledj.com](http://www.musictogomobiledj.com)!

There was some great line dancing at the Gala too! Ed also had a chance to do some Shag dancing with some of their customers. "The **Shag** is the state dance of North Carolina and South Carolina, and is still popular amongst residents of both states. The Shag is a form of swing dancing that evolved from the jitterbug and jump blues of the big band jazz era and originated along the strands between Myrtle Beach, South Carolina, and Wilmington, North Carolina, during the 1940s. It is most often associated with beach music, a genre of rhythm and blues-based songs that lend themselves to this dance form. According to Bo Bryan, a noted shag historian and resident of Beaufort County, the term was coined at Carolina Beach, North Carolina. Today, the shag is a recognized dance in national and international dance competitions held across the United States." Find out more about Shag dancing at the link below!
